

#### INSPIRIT \_ Before you start

## insiders

1

Thank you for choosing INSPIRIT. Before you start using your INSPIRIT sensors for the first time, it is important to activate each of them.

- 1. To activate your sensors, follow the instructions available on <a href="http://help.insiders.live">http://help.insiders.live</a>
- 2. Then go to the INSPIRIT section and open <u>How To</u> <u>Activate Your INSPIRIT</u>
- 3. For a direct access to the page scan the QR code

2

## insiders

Now that your INSPIRIT is activated, you must configure your account and sensors.

1. Create your account: <u>https://analyze.fieldwiz.com</u> (you will receive a confirmation link by email)

analyze.FieldWiz
